

This is one of the primary methods used to dumb-down and demotivate (create apathy in) the global population:

"...For your **merchants** were the **great** men of the earth, for by your **sorcery** all the nations were deceived." —Revelation 18:23

Translated into modern English...

"...For your **industrialist-bankers** were the **powerful** men of the earth, for by your **drugging and poisoning** the nations were deceived."

The word "**sorcery**" is the Greek word "**pharmakeia**" the source of our word **pharmaceutical** and it means: "**To Drug or Poison**".

Spraying Chemicals on U.S. Citizens is Legal

[U.S. PUBLIC LAW 105—85](#) declares that spraying chemicals and biological agents on U.S. citizens perfectly legal, even if it causes permanent injury or death.

Virtually all types of spraying are allowed. Spraying can be done for virtually any reason whatsoever. Finally, nearly all types of damage are permissible, including permanent damage or death to humans or animals, and damage to the environment.

Following is a page displaying the law itself: [U.S. PUBLIC LAW 105—85](#)

Does the Bible Contain Prophecies About Chemtrails?

Mercury In Religion

In certain religious practices such as Vodou (popularized as "Voodoo") and Santeria, [mercury](#) is believed to have special powers. Practitioners carry it around in pouches, sprinkle it on the floor, pour it into a bath, or burn it in candles.

Even in the most popular religions of the world, incense is used that contains high levels of lead and mercury.

Some use it for protection. Others use it for "spiritual enlightenment". Some believe that the resulting experiences they encounter as a result of mercury exposure are spiritual experiences. We know these to be schizophrenia, bipolar disorder, ADD, ADHD, autism, dizziness/vertigo, memory loss, and numerous other neurological diseases. The weakening of the human will induced by mercury also opens one up to spiritual oppression and perhaps even possession.

Biblical Position

The practice of utilizing poisons such as [mercury](#) is prohibited by Biblical law (Deu 18:11-12, Exo 22:18). This practice is often referred to as witchcraft or sorcery (Strong's #3784).

The book of Revelation contains several references to "sorcery", but when we take a careful look at the original language, we find something very interesting.

"...For your merchants were the great men of the earth, for by your **sorcery** all the nations were deceived." —Revelation 18:23

The word "sorcery" in this passage is the Greek word "pharmakeia" (Strong's #5331) (far-mak-i'-ah). This is the source of the English word "pharmaceutical". **The true meaning if the word pharmakeia is "to drug or poison", so here we see the [chemical dumbing down](#) of the world by drugging and poisoning. This is to occur shortly before the return of Christ to Earth. This modern chemical-dumbing-down of the population was predicted in the Bible thousands of years ago.**

As I will show later in this article, the use of mercury in the body (as a "medicine" or anything else) is equivalent to the practice of pharmakeia, or "sorcery", or "poisoning". We can easily relate this word "pharmakeia" to "poisoning" because the Biblical word for a person who practices pharmakeia is defined as "a poisoner".

So the verse above actually predicts that a global deception will take place. This deception will be facilitated by drugging people with known poisons. The target of this drugging is the people of the nations of the Earth. **In fact, this is a direct reference to the dumbing down of the population thereby making them more prone to deception.**

Who is going to perform this drugging?

According to Revelation 18:23, the great drugging and the great deception will be performed by:

"...merchants (who) were the great men of the Earth."

The word "great" does not mean "good". It means "mighty" or "powerful" (Strong's #3175 derived from #3173: "mighty"). So who is perpetrating this great drugging? "Powerful merchants".

Today, the most powerful merchants in the world are men who own or control global corporations. The most powerful types of corporations in the world are:

1. Oil companies (most powerful)
2. Pharmaceutical companies (second most powerful)

These are not necessarily the only people who will be involved in this deception by drugging, but they certainly qualify.

Furthermore, we should consider that the two most influential lobbies in the United States government are oil and pharmaceuticals. Those educated in this area will immediately think of the Bush family (oil) and the Rockefeller family (oil and pharmaceuticals).

As the pieces begin to come together, we will discover that the Rockefeller family is spearheading the move for world depopulation, and has been for the past two decades. For in-depth documentation supporting this, please see this video:

[Mercury, Autism, and the Global Vaccine Agenda](#)

Are Chemtrails the "Sorcery" Spoken of in Revelation 18?

We are all familiar with the widespread use of pharmaceutical drugs today, but for the past 20 years, many people have been moving away from the use of drugs, vaccines, genetically-modified (GM) foods, and other known toxins. In fact, in the past few years, this reconstruction of health values has created a virtual stampede toward healthy, natural, organic lifestyles.

With so many people moving away from drugs, how can Revelation 18:23 be fulfilled? Are there actually enough people still using drugs, vaccines, or mercury-laden "silver" fillings to facilitate a global deception?

Certainly not. There must be more to the story. There must be something more invasive that literally "forces" people to take drugs and poisons so as to facilitate this massive global deception predicted by the Bible.

When you know that mercury and aluminum clearly facilitate the dumbing down of human populations, and when you consider the strong indications that chemtrails contain both mercury and aluminum, then it is reasonable to consider that the chemtrail spraying campaign is the fulfillment—at least in part—of this Biblical prophecy concerning the deception of the nations in the end times.

As this article is being written, there is widespread talk in the United States, Europe, and Australia about forced vaccinations, and this would certainly qualify as the fulfillment of this prophecy as well.

In fact, there is nothing in this prophecy to indicate that there is any single event that accomplishes this mass poisoning. The prophecy simply says "...by your sorcery..." indicating the general method in which this deception takes place.

It is likely that several things including pharmaceutical drugs, chemtrails, and mass vaccinations all play a role in the fulfillment of this end-time prophecy concerning the poisoning of the nations to facilitate a great global deception.

A Deeper Look

Sorcery Is Pharmacology Is Poisoning

We've already established (above) that the Biblical word "sorcery" in Revelation 18:23, when properly translated, means "pharmacology", but is there really a connection between pharmacology and "poisoning"?

The book of Revelation contains references to the persons who actually dispense—or practice—sorcery:

"Blessed are those who do His commandments, that they may have the right to the tree of life, and may enter through the gates into the city. But outside are dogs and **sorcerers** and sexually immoral and murderers and idolaters, and whoever loves and practices a lie." —Revelation 22:14-15

"But the cowardly, unbelieving, abominable, murderers, sexually immoral, **sorcerers**, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death." —Revelation 21:8

In these passages, the word "sorcerers" comes from the Greek word "pharmakos" (Strong's # 5332) which is derived from the Greek word "pharmakon". It is defined in Strong's Greek Dictionary of the New Testament as follows:

"a druggist ("pharmacist") or poisoner"

Thus, the etymology of the word itself fundamentally-associates the concepts of drugging and poisoning. It would stand to reason that a person who is called a "poisoner" is one who distributes "poison". Thus, we clearly see the fundamental connection between the Biblical word for "sorcery" (pharmakeia) and "poison".

Furthermore, since mercury is a potent poison, we can certainly conclude that the distribution of mercury (a poison) is considered "sorcery" (poisoning) by the Bible. If this is true, then the mercury in chemtrails can indeed be considered sorcery and therefore a fulfillment—at least in part—of Revelation 18:23.

Even if chemtrails only contain aluminum and barium, as a number of tests (both air and soil) have now indicated, these are still poisons to the body and would be considered Biblical "sorcery."

Aluminum is particularly known for interfering with brain function. When mixed with existing mercury, aluminum becomes about 100-times more poisonous to the body. (Haley, et al.)

Barium interferes with potassium metabolism and can induce heart attacks and stomach pain.

Mercury: A Medicine?

Interestingly, mercury has been used in modern medicine for many years. Mercury was used as a treatment for syphilis as early as 1925 and—despite its known toxicity—continued to be used into the 20th century.

Mercury has also been used as:

- a diuretic,
- a disinfectant,
- a laxative,
- a dewormer,
- a teething powder,
- and a treatment for depression.

Ironically,

- Mercury causes swelling and water retention—the opposite of a diuretic (Moulden),
- Mercury is scientifically known to be an ineffective disinfectant (Ayoub),
- Mercury actually causes constipation by blocking magnesium metabolism, and is therefore the opposite of a laxative (Cutler),
- Mercury suppresses the immune system which facilitates continued growth of bacteria and parasites (Cutler),
- Mercury is known to facilitate gum disease, thus it is a particularly poor choice for a teething powder (Cutler), and
- Mercury causes depression (Cutler).

Mercury has been used in eye washes, cleaning solutions, and in other products that required an antiseptic.

One of the most well-known uses of mercury has been to fill dental cavities. Amalgam ("silver") fillings are considered the cheapest "cure" for these common dental problems.

The most controversial and well-known use of mercury has been as a preservative in vaccines, even though several standing studies declare mercury a weak and inadequate preservative (Ayoub).

What we know today is that mercury is a potent neurotoxin and is the cause for well over 130 common diseases and ailments, both physical and mental. Mercury is quite possibly the single

largest cause of disease in the world today. What is shocking about this fact is that science has known the connection between mercury and numerous diseases for over 200 years.

The fact that mercury has a long history as being used as a "medicine"—a pharmaceutical—makes it fit even more perfectly within the framework of Revelation 18:23.

Biblical Medicine

Mercury has been considered a "medicine" throughout history. In contrast, Biblical medicine has always been associated with plants, and these plants are considered "food".

A popular example of this is found in Revelation 22:2:

"In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations." —Revelation 22:2

There are other examples as well:

"...I have given every green herb for meat: and it was so." —Genesis 1:30

"...thou shalt eat the herb of the field;" —Genesis 3:18

One of the most famous statements in medicine and herbology comes from Hippocrates:

"Your Food Shall Be Your Medicine, And Your Medicine Shall Be Your Food" —Hippocrates

Today, the Food and Drug Administration (FDA) regulates herbal supplements as "food", and this makes sense as herbs are indeed food.

"Destroy Them Which Destroy The Earth"

The Bible speaks about a group of people that live near the end of the current age (right now) who "destroy the Earth". This verse states that God will destroy those who destroy the Earth:

And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that **thou shouldest** give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldest **destroy them which destroy the earth.**" —Revelation 11:18

The word "destroy" here (in both instances) is the Greek word *diaphtheiro* (Strong's #1311) which is defined in Strong's as:

"to rot thoroughly, that is, (by implication) to ruin"

So the act of "destroying the Earth" in this verse is not necessarily talking about the complete and utter destruction of the Earth, but rather the process of "ruining" the Earth.

It's interesting that the Greek word (translated "destroy") makes a reference to rotting and that studies have shown that chemtrails contain mold spores which indeed cause rotting.

It's also important to contemplate that chemtrails are destroying the Earth by [ruining soil](#), contaminating water, [killing insects and wildlife](#), and [harming people](#).

Who Made the World "as a Wilderness"?

Following is a prophecy from Isaiah that makes several interesting references to the time near the end of the age.

"They that see thee shall **narrowly look** upon thee, and consider thee, saying, Is this the man that made the **earth to tremble**, that did **shake kingdoms**; That **made the world as a wilderness**, and **destroyed the cities thereof**; that **opened not the house of his prisoners**?"
—Isaiah 14:16-17

"narrowly look"

To look narrowly upon someone is to squint when you look, as if to say, "Is this really true?" This is still a common gesture today.

This phrase indicates the shock that people will feel when they discover that this mere man—the "anti-Christ"—caused all this destruction upon the Earth.

"earth to tremble"

It is becoming more widely accepted that [HAARP](#)—a very-high power antenna array in Alaska—can cause earthquakes to occur in select locations.

This is still a "secret" operation so drawing hard conclusions is difficult, nevertheless, a growing number of scientists admit that it is possible. Furthermore, (now) well-known patents reveal the design and far-reaching capabilities of just such a device.

It's compelling to find that the Bible clearly states that a man—the anti-Christ—is responsible for making the Earth tremble. Without modern technology, this would certainly not be possible.

"shake kingdoms"

The word shake (râ'ash in Greek) means undulate, as through fear.

A good example of this would be the fearful threats of martial law and financial collapse that was threatened against the U.S. congress if they didn't pass the bailout bill.

More info: [Congress Passes Bailout Amidst Secret Threats of Martial Law and Market Fallout—Congressman Sherman](#)

"made the world as a wilderness"

[Depopulation](#) (mass murder on a scale never before seen in human history) seems to be one of the goals of chemtrails.

News articles have already been written about the need to [bulldoze entire cities in the U.S.](#) (These articles are being likely written to precondition Americans for the mass-doing of cities across America. As chemtrails cause massive depopulation, surviving Americans must not panic at the sight of cities disappearing. Articles such as this—previous link—will ease the shock and help the powerbrokers to maintain order during this transition).

When the world is depopulated to the levels they propose, they will have indeed turned large portions of the world into a wilderness.

The original word for wilderness in Greek is midbâr, which means a pasture or by implication, a desert.

This is very interesting because we know that chemtrails contain barium salts and aluminum.

Barium salt has a very drying effect on everything it touches. It can be used for "[Salting the Earth](#)", as was done during various wars to subvert the food supply of the enemy. This dries the earth and alters the pH in such a way as to create a barren wasteland—a desert.

We are already seeing reports of aluminum-stressed trees and plants in various locations around the world:

Soil Tests:

<http://www.holmestead.ca/chemtrails/soiltest.html>

Nationwide Tree Decline:

<http://www.911weknow.com/about-the-sky/tree-decline>

"destroyed the cities thereof"

As the power brokers destroy the economies of the world in order to complete their "[order from chaos](#)" paradigm—a phrase taken from their own literature—we will see the deliberate destruction of entire cities and suburbs as a means to the centralization of power that power brokers so desire.

[US cities may have to be bulldozed in order to survive](#)

"opened not the house of his prisoners"

Shortly before the return of Christ, it is clear that many will be imprisoned and killed because they are Believers in Christ and do not accept the authority of the world power brokers. These people also tend to be the type who continually expose the [global conspiracy](#) and preach and teach the fundamental principals of freedom.

Of course, the power brokers don't appreciate getting [this kind of exposure](#), so these Christians/Conspiratorialists will be locked up where they can no longer spread these ideas, many will be murdered, but those who remain will not be set free until the return of Christ Himself, hence: the anti-Christ "opened not the house of his prisoners".

FEMA concentration camps fit this model perfectly.

Isaiah on the Anti-Christ

"...the man that made the earth to tremble, that did shake kingdoms; That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners?"

—Isaiah 14:16-17

"earth to tremble" - How does a "man" make the Earth tremble? HAARP induced Earthquakes.

"shake kingdoms" - "Shake" as from induced fear. War & widespread mercury toxicity induce emotional fear.

"world as a wilderness" - Depopulation via chemtrails & vaccine-induced sterilization.

"destroyed the cities" - Bulldozing entire cities has been openly proposed by Obama administration.

"the house of his prisoners" - FEMA prison camps prevent truth-tellers from influencing the public.

Revelation on Drugs

"...For your **merchants** were the **great men** of the earth, for by your **sorcery** all the nations were deceived."

—Revelation 18:23

"merchants" - Wholesaler or Trader

"great men" - "powerful men"

"sorcery" - Greek "pharmakeia" = "pharmacy"
Literally means "to drug or poison"

Context

This verse explains that **Drugs or Poison** are used to deceive the world shortly before the return of Christ.

- Over 50% of Americans take prescription drugs.
- "Silver" fillings emit mercury vapor 24/7.
- Aluminum & Mercury are still in many vaccines.
- Most major American cities have fluoridated water.
- Most breathe heavy metals from chemtrails daily.
